Dear Parents and Students

The Instrumental Music Program at Gin Gin State High School is currently in the process of recruiting new students for next year. We are therefore inviting you to consider this valuable musical opportunity for your child.

The Instrumental Music and Strings Program provides the opportunity for students to learn a woodwind, brass, percussion, or strings instrument through weekly lessons with a qualified music teacher, employed by the Department of Education. The music program allows students the chance to become involved in school ensembles.

Fees and a hire charge as detailed below are associated with the use of school instruments and/or being part of the Instrumental Music Program.

- If you have your own instrument there is a yearly fee of \$20 for use of music from Bundaberg Music Library
- If you do not own your own instrument, there will be a cost of \$70 per year. This includes the hire and maintenance of a school instrument at \$50, plus the \$20 fee for the music from Bundaberg Music Library

As there is limited supply of school instruments available for students to borrow, you may need to consider purchasing your own. Select your top three preferences and indicate whether or not you would be able to supply your own instrument.

Please note that instrumental music is optional (non-compulsary) and that the borrowing of an instrument requires a commitment to rehearsal and scheduled lessons.

**Please complete the following preference section and return it to the office.**

Regards

Mr Jason Cappello  
HOD Arts

Mr Paul Stehbens  
Principal

My Child \_\_\_\_\_ in year \_ in 2026 would like to put forward an expression of interest in the Instrumental Music Program. They would prefer to play these instruments in the following order:

1 <sup>st</sup> Choice _____	I have my own instrument	Yes	No
2 <sup>nd</sup> Choice _____	I have my own instrument	Yes	No
3 <sup>rd</sup> Choice _____	I have my own instrument	Yes	No

Please note: the Guitar is not part of the program

My student has been involved with an instrumental music program at their previous school: Yes No
