Subject Outline:

The Japanese language course is designed to allow students to learn about the culture, people and language of Japan. The focus of the course is to develop all four required language skills (speaking, listening, writing and reading) and also to strengthen students’ confidence in communicating with Japanese by a variety of learning experiences. Learning another language will help students to develop their problem-solving skill as well as broaden intercultural understanding.

Potential Activities:

**Term 1**  
Let’s get together! weather and season, tense of verb, make an invitation

**Term 2**  
Shopping – basic conversation used in shopping situation

**Term 3**  
The iron chef – explain cooking procedure, vocabulary and sentences related to cooking and eating.

**Term 4**  
There is no place like home! - Japanese housing, ask and answer about position and location, give and ask directions.
