

SCHOOL NEWSLETTER

Dear Parent/Guardian

Gin Gin State High School's newsletter is produced regularly by Schoolzine. The newsletter is full of relevant information and all parents are encouraged to view the newsletter.

Parents who have supplied an email address are automatically sent an email with the link to the newsletter. You are also able to access the current newsletter and past newsletters from the schools website: www.ginginshs.eq.edu.au

The school has, in the past, distributed printed copies for those who are unable to access the newsletter via email or internet. During the year we would like to keep these to a minimum.

Printed versions are limited in photos and flyers and some non-school information whereas the online version has a photo gallery included and a current list of events on the side panel plus more information and features.

In the future we may look at having online forms plus utilizing other useful features.

Parents of new students are encouraged to subscribe (free) to Schoolzine to receive our newsletters. Please logon to: <http://ginginshs.schoolzinenewsletters.com> and register your details.

If you would rather the school register your email address, please provide details:
