

P & C ASSOCIATION / TUCKSHOP
VOLUNTEER PROGRAM

Dear Parents/Guardians

A great deal of valuable work is done by the P & C Association particularly in the tuckshop, by volunteers who give their time and skills, raising funds to provide resources to enrich the education experiences of our students.

P & C Association

P & C Meetings are held on the third Monday of each month in P Block. A great deal of meeting time is devoted to informing parents about, and giving them a say in educational matters. If you are interested in the happenings of the school which your child attends, we invite you to attend meetings. The Annual General Meeting will be held in March. For further information contact the school on 4133 2111.

Tuckshop

The Tuckshop operates daily. A healthy, nutritious variety of food is available at reasonable prices. One or more volunteers are required each day to assist the Convenor with preparation and serving of food. Times are from 9.00 am till about 2 pm. If you would like to know any more about tuckshop please feel free to contact the Convenor at school on 41332108.

If you are able to assist in the tuckshop on a regular or irregular basis, **please complete the form and return it to the High School.** If you are not the parent of a current student you will be required to have a Blue Card prior to commencing volunteering.

Thank you
P & C Association
